

REMARKS

The claims have been placed in better form for examination and the abstract has been amended to delete reference numerals.

A substitute specification in compliance with 37 C.F.R. §1.125 is attached. The attached substitute specification has been amended to incorporate the International and European priority applications by reference and contains no new matter.

Accordingly, it is believed that the application is in good condition for examination. The below-signed attorney for applicant welcomes any questions.

Respectfully submitted,
